Adventures of Sally the Savvy Sailor

ON A SUNNY, _____ DAY, THERE WAS A _____ SAILOR SAID TO SAIL THE SEAS WITH SPEED. SALLY, BEING THE FASTEST SAILOR THERE IS, MADE IT HER MISSION THAT DAY TO SAIL ACROSS LAKE ONTARIO QUICKER THAN ANYONE BEFORE. AS SHE STARTED HER VOYAGE, A SWIFT STORM SWEEP IN AND SHE QUICKLY BECAME _____. LUCKILY SHE CAME ACROSS A FISH, HIS NAME BEING, LARDY THE LARGEMOUTH BASS. AS SHE TRIED TO ASK FOR DIRECTION, ALL LARDY COULD DO WAS TALK, COMPLETELY IGNORING HER.

"Glub _____ glub"

NOT FINDING ANY HELP WITH LARDY, SALLY THE _____ CONTINUES ON IN SEARCH OF ANOTHER CREATURE. JUST THEN, SHE HEARS THE HAPPIEST OF CHATTER. LOOKING BELOW, SALLY SEES A RATHER CHEERFUL BLUEGILL FISH WHO GOES BY THE NAME SUNNY.

AGAIN, SALLY ASKS FOR HELP WITH DIRECTIONS HOME. WITH SADNESS IN HIS VOICE SUNNY REPLIES

"I'm sorry sailor I'm new to the area"

THANKING THE FISH REGARDLESS, SALLY SAILS ONWARD. ABOUT TO GIVE UP HOPE, SALLY'S SHIP BEGANS TO ROCK BACK AND FORTH BECAUSE OF A CREEPING CREATURE BELOW. CAREFULLY LOOKING DOWN INTO THE WATER, SALLY IS MET FACE-TO-FACE WITH A RATHER LARGE BASS.

JUST AS SALLY WAS ABOUT TO SAIL AWAY IN TERROR, THE FISH SPOKE.

"I heard you're lost and in need of directions.. I'm Rocky by the way"

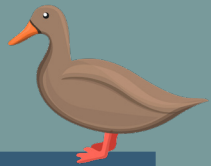

LEAPING UP WITH _____, SALLY GRABS THE WHEEL AND SAYS

"Lead the way please!"

ONWARD _____ SHE SAILED WITH HER NEW _____ ROCKY.

The End

Join Sally The Savvy Sailor as she explores the wonders of water with her adventures traveling through the lakes of Ontario.

This exploratory activity book was inspired from the artwork *"Secret Lake"* by **Alfred Manessier**. The artist had traveled to the Big Rideau Lakes in 1967 and immediately became mesmerized by the movement of water with the reflections of colours from the sky, clouds and sun that blended together into an array of spectacular colours to experience.
